The Island Saar

Prologue

Proloog

- You're going to <u>feed</u> them <u>again</u>? "Kas sa kavatsed jälle neile <u>süüa anda</u>?"

- Molly Monoco looked up at the sound of her <u>husband's voice</u>.

Molly Monoco tõstis pea, kuuldes abikaasa häält.

- She had been busy <u>in the galley</u>, putting together a <u>goodie bag</u> filled with <u>substantial</u> meals. Ta oli <u>jahi köögis</u> hõivatud <u>mahuka toidukoti</u> pakkimisega.
- Ted, speaking with a <u>growl in his voice</u>, had been at his <u>workstation</u>. <u>Toriseva häälega</u> Ted oli oma <u>tööruumis</u> olnud.
- <u>Apparently</u> he had just <u>noticed</u> how industriously she <u>had been preparing food</u>. <u>Ilmselt</u> oli ta alles nüüd <u>märganud</u>, kui toimekalt Molly <u>sööki oli valmistanud</u>.
- Her husband appeared both <u>aggravated</u> and <u>disgusted</u>.

Ted oli pahane ja pettunud.

- He knew what was she up to.

Ta teadis, mida Molly plaanis.

- She couldn't really <u>blame him</u> for his feelings.

Seda ei saanud Molly talle õieti ette heita.

- Ted had <u>worked hard all life</u>, and <u>had earned every bit of the income</u> they were now enjoying <u>after his retirement</u>.
- Ted oli <u>kogu elu kõvasti tööd rüganud</u> ja <u>teeninud raha</u>, mille eest nad nüüd <u>pärast ta pensionile jäämist</u> mõnu tundsid.
- They both <u>came from</u> Cuban families who <u>had made the move for</u> Florida long before the
- refugees had begun fleeing the little island.

Mõlemad <u>pärinesid</u> Kuuba perekonnast, kes <u>olid kolinud</u> Floridasse enne, kui <u>pagulased</u> sellelt väikeselt saarelt <u>põgenema hakkasid</u>.

- While Molly's maiden name had been Rodriguez, her first name had always been Molly, just
- as Ted had been Theodore from the start.

Kuigi Molly <u>neiupõlvenimi</u> oli Rodriguez, oli ta <u>eesnimi</u> olnud alati Molly, ja ka Ted oli olnud <u>algusest</u> peale Theodore.

- Their <u>parents had brought</u> them to the States, believing in the <u>American dream</u>, and teaching
- them a work ethic that would allow them to achieve that dream.

<u>Vanemad olid toonud</u> nad Ühendriikidesse, uskunud <u>Ameerika unelmasse</u> ja õpetanud neile <u>tööeetikat</u>, mis andis neile võimaluse see <u>unistus ellu viia.</u>
